

Contract for Lengthsman at Stoke Gabriel Parish Council

Initial term ; Date of signing July 2020 - 31st March 2021

The work comprises :

Monitoring and clearing as required the infrastructure which drains water off the roads in the Parish

The emergency clearance of blockages

The work supplements the maintenance carried out by Devon County Council

Not all the existing drainage channels will be kept clear . The purpose of the work is to keep clear the drainage necessary for road safety and the passage of vehicles on the roads

Hours - as many hours as necessary up to 50 hours per year

If your view is that more hours are required it will be necessary to consult a meeting of the Parish Council for agreement - prior to proceeding with the work

Time required will vary depending on the season and the weather

Reporting

Please submit a monthly report by email to the Parish Clerk summarising work completed , hours and any issues identified in the course of the work

reimbursement

£20 per hour , no VAT , payable either monthly or 3 monthly - to be agreed on provision of a written invoice . No travel time cost

Own tools to be provided

Current proof of Insurance will be needed - when the existing Policy expires

A map has been supplied
